

Northwind Traders Remote Work Policy

1. Overview

Northwind Traders recognizes the importance of work-life balance. This policy outlines the guidelines for employees working remotely or from home.

2. Eligibility

- All full-time employees who have completed their 90-day probationary period are eligible to apply for remote work up to 3 days per week.
- Roles requiring physical presence (e.g., warehouse operations, physical mail handling) are exempt from this policy.

3. Core Working Hours

Remote employees must be online and available during core working hours: 10:00 AM to 3:00 PM (Local Time). Outside of these hours, flexible scheduling is permitted as long as weekly hour requirements (40 hours) are met.

4. Equipment and Security

- Northwind Traders will provide a standard corporate laptop for remote work.
- Employees must use a secure, password-protected Wi-Fi network. Public Wi-Fi should only be used in conjunction with the corporate VPN.
- Employees are responsible for keeping their remote workspace safe and ergonomically sound.

5. Communication

Employees working remotely are expected to maintain regular communication with their team via Microsoft Teams and email. Video is encouraged during team meetings to foster connection.
